

The DREAMER

2021

THE DREAMER

exudes a deep ruby-brick color to accompany alluring aromas of blueberries and blue figs, framed by subtle hints of warm vanilla. Medium-bodied palate showcases red currant and Rainier cherry with silky, elegant tannins that lead to a long finish that evokes a poem you wish you had written.

WINEMAKER NOTES

This wine is dark and brooding, a wine of elegance, fine and structured tannins, and basically the wine-equivalent of a Wagner piece on a stormy night after unexpectedly making an enormous sum of money. In other words, it is fucking pure magic with rock bloody solid complexity on a very high level.

VINTAGE NOTES

There was no 2020 vintage due to the apocalyptic fires and so the 2021 has been a long time coming. An extremely small crop, dryness and zero heat spikes combined with super small, concentrated berries and a super long ripening season resulted in the vintage being hailed as one of the TRULY great ones.

VINEYARD NOTES

Sourced from small, family vineyards, (in some cases for 3-4 generations) that are farmed with great care and attention. These vineyards (some are 80+ years old) have been brought together, actually woven together, so the magical fruit could at last become Fortunate Son.

COMPOSITION

100% Cabernet Sauvignon

COOPERAGE

Aged for 34 months in 100% new French oak. We only use the finest French oak barrique with stave wood that is hand-selected for ultra-tight grain, then air dried for three years before being made into barrels.
