NOTE FROM OUR BUTCHER

Our beef is chosen from the top 2% of cattle in America and selected for rich, even marbling. Our classic steakhouse cuts are USDA Prime, grain fed, and humanely raised. Further enhanced through in-house aging for a minimum of 28 days, the steaks' natural flavor and tenderness are intensified. Our USDA Prime steaks, signature filets, and American Wagyu are sourced from a network of small family farms and sustainably produced by our partners at Double R Ranch and Snake River Farms.
